**Abstract**  
People who understand the natural behavior patterns of farm animals will be able to handle them more easily. This will improve animal welfare, and reduce accidents. Common domestic animals such as cattle, sheep, pigs, goats, poultry species of grazing or foraging animals. Their wild ancestors survived in the wild by flight from predators. This is why domestic animals today are easily frightened by potentially threatening stimuli such as sudden movement. It is important to handle animals are safer and easier to handle than excited ones. If an animal becomes agitated, it is advisable to let it calm down for a few minutes.

## Nasıl yayın listeleri oluşturabilirim?

1. Bir dergi, makale, özet, vs. seçin ve **Mark** kutucuğunu işaretleyin.

The screenshot shows the Informaworld website interface. At the top, there are navigation links: HOME, ABOUT US, CONTACT US. Below these are tabs for eBooks, Journals, Reference Works, and Abstract Databases. A search bar is present with a dropdown menu set to 'entire site'. To the right of the search bar are links for 'Browse Publications A-Z', 'Browse Subjects A-Z', and 'Advanced Search'. Below the search bar, there is a navigation bar with links: Taylor Francis Library, My Account, Sign In, Sign Out, Got a Voucher?. The main content area displays the 'Comparative Education' journal page. On the left is the Routledge logo and a thumbnail of the journal cover. On the right, the journal details are listed: ISSN: 1360-0466 (electronic), 1360-0468 (paper), Publication Frequency: 4 issues per year, Subject: International & Comparative Education, Publisher: Routledge. Below this, there are links for 'Subscribe', 'Sign In', and 'Online Sample'. A list of volumes is shown, with 'Volume 43' selected. The 'Mark' checkbox is highlighted with a red circle and an arrow pointing to it from the first instruction box. The 'My Account' link in the top navigation bar is also highlighted with a red circle and an arrow pointing to it from the second instruction box.
