It’s a famous surf and body board spot and as highlight events, there’s CINANIMA - International Animated Film Festival and FIME- Espinho International Music Festival. The pupils attend school every day from Monday to Friday.</p> <p>We have students from abroad and pupils with special needs (low and deep needs). In our school pupils are from different social backgrounds. The majority of pupils live near the school but few of them live outside the town so they must go to school by car, by bus</p>
