

WE'VE GOT THE GOOD JOBS.

Internship – Game Tester Polish (m/f)

Goodgame Studios is Europe's fastest growing gaming company and one of Germany's most successful technology businesses. With more than 700 employees at our headquarters in Hamburg we develop innovative online games which are played by more than 180 million players in 25 languages across 200 countries. Our talented, motivated team of experts and newcomers forms the basis of our success. Become a part of the success story and apply now!

This is a paid internship that will last at least 5 months. In the role you will learn the basics of publishing and production in the online games industry. You will work on ambitious, demanding projects with a young, successful team and will get to know our user-friendly games inside out.

An internship as a Game Tester in our quality assurance department (QA) is the ideal starting point for future jobs in a product or IT environment.

YOUR JOB

- Alpha test the functionality and text quality of new online games
- Ensure optimal performance of our live games
- Develop an in-depth understanding of games and platforms as a basis for producing helpful bug reports
- Help develop test protocols and test cases
- Collaborate closely and consult regularly with our game development teams

YOUR PROFILE

- Native-speaker level knowledge of Polish as well as good German and English, both written and spoken
- Excellent at organizing your own work
- Basic programming knowledge would be advantageous
- You understand that game testing does not just mean "playing games", but is actually a task that carries responsibility for the success of a game
- Highly self-motivated, passionate about the internet industry and its dynamism and enthusiastic about working in a friendly team

WE OFFER

... an exciting job where you can assume responsibility and develop professionally. A dynamic team with friendly, highly-qualified colleagues from all over the world. Strong, sustainable growth and fresh challenges every day. Flat hierarchies and short decision paths. A culture of mutual respect and an outstanding working environment. Further training with workshops, language courses and technical reference works, a healthy work-life balance, regular team events, sporting and leisure activities and much more!
